

OSM PASTORAL COUNCIL

MINUTES: APRIL 26, 2018 MEETING

Members Present: Chris Hauser, Owen McCormick, and Joe Ziino.

I. PRAYER

II. MEETING CALLED TO ORDER

We discussed the proposed OSM parishioner survey that had been the subject of previous meetings and concluded that we will need to have our Pastoral Council draft one for Father Tim to review and approve, if he believes the survey should be done. Since we may not have a formal Pastoral Council meeting until fall, we could either wait until then or prepare something and circulate by email and present to him over the summer for distribution by email, website and paper this fall.

We discussed briefly how evangelization efforts would apply to OSM. Because the CPC still is in the process of developing a plan or proposal for the parishes, we will wait to review how that would apply to OSM, since each parish may have its own approach and OSM's approach may be different from the other parishes' approach.

We discussed the recent appointment of a new associate pastor and the retirement of Father Mike.

Chris reported on some of the recent and planned projects for the parish property.
