Many asked about follow-up opportunities and we will plan to have events over the summer. We also expect to have a second formation event in September 2018.

Action Items: The CPC will reach out to members of the sacrament class to engage participants after the class is finished. Additional intentional planning required including monthly follow-up.

Volunteer Opportunities: CPC discussed listing all volunteer opportunities on the parish websites to make the information more user-friendly.

Action Items: We will check with Father Tim to confirm that he is comfortable with the change and then work with Bob Schuelke to modify the websites.

Father Mike's Retirement: Father Mike's last weekend of Masses will be at SSPP on June 16-17th. He will be residing at St. John Paul II residence (former rectory of St. Alexander) with three other priests. Donations to honor Father Mike can be made to St. Rose of Lima.
