

Catholic East #MissionMoment

Each year Catholic East takes a small group of 6th and 7th graders to DSHA for their leadership conference. We are so proud of how well they represented our school. They were so responsible and polite that, when one of our scholars was asked by a student from another school what grade they were in, they could not believe she was in only 6th grade. DSHA is one of the high schools to which we send our alumni. It was wonderful seeing them make connections as they led and mentored the younger women in our community. There were hugs all around. This conference is 100% planned, organized, and run by DSHA students and it went off without a hitch. Thank you DSHA for inviting us and teaching us to become even better leaders in our community!

Time to Enroll for 2020-2021

Catholic East Elementary School challenges students in Grades K3-8 to tap into their full potential academically, spiritually, morally, socially, and physically. With more than 250 students, we offer an ethnically diverse learning environment, highly qualified staff, and a foundation in faith. Our scholars are truly living examples of our mission, "We Pray! We Serve! We Learn!" <http://www.catholiceast.org>.

Let us start thinking ahead to the 2020-2021 school year! We love our scholars and are excited to have them join us again next year for more adventures in learning and community! Good news...tuition will not increase! If you are interested in a tour, please contact Kristen Dahlgren at kdahlgren@catholiceast.org.
