

# Not Baking, But Still Making the World a Better Place

After careful thought, the Christian Women have decided, for one more year, not to do our cookie baking fundraiser. We did not make this decision lightly, but we want to make sure that when we do gather again to bake it is safe for everyone. We are not there yet in this awful pandemic. We feel optimistic that we will be in a much better place next year.

Our parishioners have been extremely generous in supporting our sale over the years. They have made it possible for us to distribute much needed assistance to parish programs and to neighboring community organizations. Fr. Tim expressed that he would very much appreciate if we would repeat last year's fundraiser for the Central City Parishes fund in lieu of the cookie sale.

We are asking you to donate in support of our Central City Parishes to help keep them financially stable during this time. This unprecedented health crisis is demanding that we reach out beyond our own parish and help to keep these parishes resilient and strong.

**All Saints** (25<sup>th</sup> & Capitol)  
**Saint Martin DePorres** (2<sup>nd</sup> & Burleigh)  
**Saint Michael** (24<sup>th</sup> & Cherry)  
**Saint Rose** (31<sup>st</sup> and Michigan)

We are requesting a donation in the amount of your cookie order from last year. To refresh your memory, our cookies were \$10 a package. If you bought three packages of cookies in the past, we are asking you to donate \$30 this year. We would be grateful for even a one-package donation.

As we did last year, The Christian Women Society is donating \$1,000 to kick off this effort because we know that every dollar donated provides direct support to these parishes.

Thank you in advance for your continued generosity.
