

Dear Friend(s),

Grace and peace be with you and your loved ones.

As devoted members of our faith communities, we write this letter with deep gratitude for your continued support and dedication to our family of parishes. Today, we are reaching out to you as your priests, entrusted with the responsibility of nurturing and growing our spiritual family.

We are excited about the opportunity that is the Love One Another campaign, an endeavor that holds great promise for the future of our family of parishes as well as other parishes and vital ministries within our Archdiocese. With the funds raised, 60% will be used to enhance our family of parishes here in the Downtown, East side and River west neighborhoods of Milwaukee. The remaining 40% will be used for new and expanded efforts focusing on the poor and those in need, Catholic schools, Saint Francis de Sales Seminary, and other important Catholic ministries in the Archdiocese, some of which have a direct impact on our family of parishes as well. **With humble hearts and unwavering faith, we have personally pledged a significant contribution to this campaign, recognizing the transformative impact it will have on our communities.**

In this spirit, we kindly invite you and your family to prayerfully consider joining us in making a financial commitment to the Love One Another campaign. **Every contribution, regardless of its size, holds tremendous value and will bring us closer to our shared goals.** Please, complete your pledge card, seal it in the provided envelope, and drop it in the collection basket at your earliest convenience. Together, let us embrace this opportunity to invest in the future of our faith communities and to create a lasting spiritual home for ourselves and generations to come.

May God bless you abundantly for your thoughtful consideration and for your commitment to the growth and prosperity of our parishes. With your support, we can embark on this transformative journey, guided by faith and united in love.

Sincerely with love,
