

The **Love One Another Campaign** is an opportunity to grow our family mission and to continue looking to the future by addressing the immediate needs in our parish. Our goal is to raise **\$772,367** in pledges for our parish community and the bigger Catholic Community of the Archdiocese of Milwaukee. Currently, we have raised 86% of our goal!

Parish needs we hope to address:

1. **Replace Pipe Organ:** Our pipe organ is over 100 years old and near the end of its lifespan. To enhance the quality of our music ministry, we will use funds from this campaign to replace the pipe organ.
2. **Mission and Ministry Fund:** Our parish remains in the heart of Milwaukee, and we have the call to minister those most in need surrounding our church. Making the presence of Old St. Mary more visible, we will support parish ministries and community organizations that many of our parish members already serve. This will strengthen our legacy of service in the community as we follow the Gospel's mandate, "whatever you did for these little brothers and sisters of mine, you did it for me." Matthew 25:40

Other vital shared ministries

Supporting our Priests, Deacons, Seminarians, and Lay Ministers

Saint Francis De Sales Seminary - Senior Priest
Health Care - Formation and Education

Serving and Helping Those in Need

Catholic Charities - Catholic Schools and inner-city parishes - Catholic Social Responsibility

Supporting Catholic Schools

- Catholic Education – Grants to Schools
- Seton Catholic Schools
